

Press Release

On account of prevailing Power surplus situation in the State, to improve the consumer satisfaction and with a view to encourage industrial growth under "Ease of doing Business" the Hon'ble Chief Minister of Tamil Nadu has launched a new scheme of signing MoU with Industries on 05.09.2017 for extending uninterrupted power supply to the Industrial consumers.

Under this scheme, the TANGEDCO on its own cost will establish the Sub-Station on the land provided by the Industrial consumer. Uninterrupted power supply will be extended to the Industrial consumer/developer through a first feeder established by TANGEDCO free of cost. If the industrial consumer wishes to establish a Sub-Station and necessary infrastructure on their own, the same will be permitted. Further if the HT Industrial consumer requests for a second source of supply, TANGEDCO will provide the same by establishing a second feeder.

Digital meters with AMR facility will be provided at the feeder level. This scheme is open for all Industries which require 24x7 Uninterrupted Power Supply both for manufacturing and Service Industries.

In accordance with the above scheme, MoU was signed on 31.10.2017 between TANGEDCO and M/s. GMR, Krishnagiri SEZ Ltd., for extending uninterrupted power supply in the presence of Hon'ble Minister for Electricity, Prohibition and Excise of Tamil Nadu.

M/s. GMR, Krishnagiri SEZ Ltd., at Krishnagiri is in the process of developing a industrial area for a demand of 240 MVA in Udanapalli Village of Krishnagiri District and already gifted 15 Acres of patta land to establish a 230 KV Substation at Udanapalli. TANGEDCO will establish a 230 kV Sub-Station at Udanapalli in the land provided by M/s GMR, Krishnagiri SEZ Ltd., for extending uninterrupted power supply.

Further, TANGEDCO has introduced the facility of payment of LT C.C.Charges etc., through PoS (Point of Sales) Machine of Banks in addition to existing facilities such as Net Banking, Mobile Banking, Mobile Apps, Payment Gateway:Debit/Credit Card, ATM Collection,Counter Collection from Bank Branches. As a Pilot Project the facility is presently implemented in the Section Offices of Mylapore Division of SE/Chennai EDC/Central with effect from 31-10-2017. It will be extended to all other section offices of TANGEDCO in a phased manner.

The L.T.Consumers of TANGEDCO are requested to make use of this digital mode cashless facility for transaction at the Section Office Collection Counters of Mylapore Division of TANGEDCO using their Debit/Credit Cards.

Thiru P.Thangamani, Minister for Electricity, Prohibition and Excise, Thiru Vikram Kapur, I.A.S., Principal Secretary/Energy Department/ Govt. of Tamil Nadu, Dr.M.Sai Kumar, I.A.S., Principal Secretary and Chairman cum Managing Director/TANGEDCO, All Directors, Higher Officials from TANGEDCO were present during exchange of Memorandum of Understanding. The officials Mr. Arun Bhagat, Chief Operating Officer, Mr. V.Vishnu Mohan, General Manager and Mr. R. Ramesh Chetty, Associate General Manager from the Industries side were also present.
