

## TANGEDCO

In respect of temple car processions and other festivals where lavish illuminations are extensively used by various agencies/consumers including the temple authorities, the temple administration will be requested to inform well in advance (a minimum of 15 days in advance) to arrange for necessary safety precautionary steps such as deviation of lines, switching off the lines etc duly cautioning that any failure to inform such activities, TANGEDCO will not be held responsible and suitable criminal action will be initiated for causing danger to life of general public as per the Electricity Act provisions in force.
